RE: CHATEAUX SUR MER ROADWAY IMPROVEMENTS - SANIBEL

Jim,

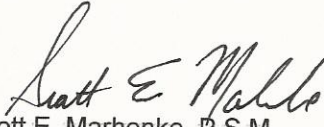

We are pleased to submit for your approval the following proposal for construction surveying services for the above-described project.

1. Recover, Check and Establish Supplemental Horizontal & Vertical Control	\$ 1060
2. Stake & Grade Both Edges of Roadway at 2' Offset	\$ 4200
3. Stake & Grade Top of Berm Along the End of Canal at Northeasterly Side of Rue Belle Mer	\$ 330
4. Stake Six Inlets in the Area of the Berm With Offsets	\$ 410
	=====
	\$ 6000

The above items of work are for one set of stakes each.

We appreciate the opportunity to work with you on this project. Please call if you have any questions.

Yours truly,
Omni Surveys, Inc.

Scott E. Marhenke, P.S.M.
President
